## Rabbi Night at CT Institutions : 2000+ music lovers offered treat of music, dance and excitement

When youth, music and excitement meet, it generates an explosive mix of celebration, enjoyment and entertainment. Similar was the scene at the state of the art Sardarni Manjit Kaur Auditorium of CT Group of Institutions Shahpur on Sunday evening, as the whole campus wore a glittering look to host "Rabbi Night"

Excitement was in the air in early evening, as CT was getting ready to host the finest Night ever at its campus. As the day started moving towards the sun set, the lawns started getting pulsating with swarms of students pouring in. Around 4:00 pm, when the stage was set for what was going to be a memorable evening, Rabbi Shergill, an Indian musician, termed Punjabi music's true urban bal-

ladeer" who is well known for his debut album Rabbi and the chart-topper song of 2005, Bullah Ki Jaana ("I know not who I am!") made his entry at the Auditorium of CT Institutions.

The crowd broke into a roaring cheer, as the star performers greeted some 2000 strong audience.

The semi-Sufi semi-folksy kind of music with a lot of Western arrangements enchanted the audience & created the pleasant-sounding ambiance all around. The songs like Bulla Ki Jaane Mein Kaun.....Avengi Ja Nahin....Jugni....Pagli S a m b h a l J a t t a .... Karachi Valie.....Ek geet

hijar da sensationalized the realm of the theme of the night.

The three hour program ended at 7:30 pm in the evening, with the audience as thrilled

and energized as it was at the start of the program. The show culminated with what is considered as the most admired song of Rabbi.

**Why Positive Thinking**

Positive thinking...it can sound simple, but often, not easy. Our life is made of habits and even Buddha once said: "We are what we think." This is why, it's very important to constantly choose positive way of thinking and make an optimistic attitude – your habit or second nature. The following advantages of being a positive person can bring newness in your life.

1) Positive mind attracts positive events.

First of all, if we decide to become positive, we can make the so called "law of attraction" work for our favour. The main principle of the law of attraction is that "like attracts like".

2) Great and harmonious relationships.

When you chose positive attitude, you will start to notice a lot of positive qualities in people and ignore their defaults, and then, you will start to create more meaningful friendships and great relationships. This type of attitude will create a very good and positive atmosphere around you.

3) Better first impression.

People, usually, are attracted to kind and friendly personalities and the good first impression can have a big impact on the development of your future relationships.

4) Vibrant health.

Positive thinking is very beneficial for your health. Even several scientific studies have shown that people with a good, positive "vibe" are less likely to suffer from depression and they get ill more rarely than the negative thinkers.

5) Key of success.

When you will implement positive thinking into your life, you will notice that success becomes easier and it's not as tough and difficult, as many people think.

6) No more stress.

The main cause of stress is worry and negative thoughts. If we think about it further, we can understand that stress never solves problems; on the contrary, it can leave us helpless. Positive people overcome stress more easily. When you start to increase the quantity of good and positive thoughts, stress will gradually leave your life, until you won't hear about it anymore.

The long or short of the whole discussion is that negativity can blind people's mind. If you turn your thoughts from the negative ones to the positive ones, your eyes will be opened & you will see the bottle half full instead of half empty. You will start to notice solutions & will understand that every problem is an opportunity to grow.

## CT Group of Institutions Celebrated Driver's Day

Celebration of Driver's day

A driver is a person who makes us reach at our destination safely. With the objective to give regard to the drivers, CT Group of Institutions celebrated the Drivers' day at its Shahpur campus. As many as 120 drivers including the bus drivers, car drivers & ambulance drivers of CT Institutions attended the function where the management of CT Group of Institutions honoured all the drivers with the gifts. The Drivers' day is celebrated on 17th September all over the country to dedicate a day to the drivers. On this occasion Inspector Sukhdeep Singh, Incharge Traffic Administration, Jalandhar & Mr Narinder Jeet (HC) from the Department of Traffic Police was especially invited to educate the drivers about the new rules & regulations of the traffic. While addressing the

drivers he said "The drivers should take up their responsibilities seriously. They should keep all the documents, use the seat belt and follow the rules and regulations set up for smoother and safer driving."

Sharing the views, Mr. Harpreet Singh, Vice Chairman, CT Group of Institutions said, "The driver community is the integral part of the society. In the institutions they work like the life line of the organization. Several lives are dependent upon them. Their role can never be overlooked. The purpose of the organization of this programme is to motivate them for their contribution and services. We at CT Group of Institutions support them time to time and acknowledge their immense contribution for the development of our organization."

## World's leading premium lifestyle brand Tommy Hilfiger selected the students CT Group of Institutions

Maintaining its pristine glory of best placements, CT Group of Institutions has once again scripted history with golden words as the students doing MBA in CT Institute of Management & IT (CTIMIT) & CT Institute of Management Studies (CTIMS) got placed in the world renowned company Tommy Hilfiger. This selection gives impetus to women empowerment as five of six selected students are the girls. This achievement of the girl students shows that the girls are marching towards the corporate positions by dint of their sheer hard work & intelligence.

As one of the world's leading premium lifestyle brands, Tommy Hilfiger delivers superior styling, quality and value to consumers worldwide. The brand celebrates the essence of Classic American Cool and provides a refreshing twist to the preppy fashion genre.

Since its debut in 1985, the Tommy Hilfiger Group has become a US\$ 4.6 billion apparel and retail company by offering consumers a breadth of beautifully designed, high quality products including men's, women's and children's apparel, sportswear, denim, and a range of licensed products such as accessories, fragrances and home furnishings.

World's leading premium lifestyle brand Tommy Hilfiger selected the students of CT Group of Institutions

In total six students namely Sayima Ami, Ajay Kumar, Shalika Sharma, Vibhu Menon, Navjot Kaur & Simrat Saini have been selected after a rigorous process of interview in

which several rounds got included. The selected students would be given the package of 2.4 Lacs & they would work as Customer Relation Officers.

### "INNOVISION-13, Imaginations Unbound" - the technical event organized at CT

Paper presentation session during "Innovision-13, Imaginations Unbound"

The trends in the IT space have evolved over the past few years, creating greater opportunities for students and budding developers. On the other, the global youth unemployment rate is currently at 12.7 percent-double the overall unemployment rate. These two things clearly indicate a gap in demand and supply, and the obvious answer to this is that 'given the right skills and training, there is lot young technology stu-

dents can achieve today. With the intent to hone these skills of the students, the Department of Computer Science, CT Group of Institutions, Jalandhar organized a technical event under ISTE student chapter. The event named "INNOVISION-13, Imaginations Unbound" constituted two technical sub-events Quiz paper & Paper presentation. All the students of B.Tech CSE participated with the fullest enthusiasm.

## Hongkong Company Offered 12 Lacs Salary Package to Engineering Student of CT Institutions

Gurpreet Singh

These were the ecstatic moments for Gurpreet Singh, a student of CT Group of Institutions for not only securing a job overseas, but also making a record of sorts in Northern India by getting a hefty pay package. He did B.Tech Electronics and Communication in 2010.

What has been normally a news from South Indian or institutions from metro cities of the country, the students did city feel proud by bringing Jalandhar on the map of successful students being paid so heavy. Maintaining the pristine glory of the institution, he has been selected on an annual salary package of HK\$1.8L which is equivalent to Rs.12 lacs annual salary package.

On this radiating success, Gurpreet Singh said: "I am really elated to the core on being selected by a leading

conglomerate in Hongkong. I hold that this all is due to the motivations met to us through our mentors at CT Group of Institutions. After completing my B.Tech in ECE in the session (2006-2010) I worked as the Assistant Engineer in Carphone Warehouse, Birmingham. After some years I got the chance to work at Blur Technology & now I am working as the Project Engineer in Fotanshatin New Territory Hongkong. It is a great experience. I assure that I shall work in the excellent way & make my institution feel proud of me."

According to Dr Manoj Kumar, group director opined that the economic slowdown seems to have had an impact even on placements but overall we have seen good packages offered from the recruiters. We have seen an increase in the

average package from previous year and therefore this is a positive indication, he added. There are many MNC's expected to visit the campus for placements in the near future, he informed.

Congratulating selected student, S. Charanjit Singh Channi Chairman CT Group of Institutions said: "I am extremely pleased to know about the selection of student on a high- salary package, in the very initial phase of their career. Such students become role models for all other stu-

dents." The students of CT Group of Institutions are shining not only in India but also in the European & Asian countries, he added. Many students of the present B.Tech batch of the institution got selected in well reputed companies & MNCs, he told in the same vein. He assured that CT Group of Institutions is committed to provide career-oriented education He also expressed his happiness on seeing the student's propagation within a very short span.

### CT Group of Institutions organized "Oral hygiene & Free Oral check-up at CT Institutions Shahpur Campus

Dr. Seema Chaterjee giving the presentation for the awareness of oral hygiene

With a view to initiating a campaign on oral hygiene, CT Group of Institutions organized "Oral hygiene & Free Oral check-up at CT Shahpur Campus. CT Institute of Pharmaceutical Sciences (CTIPS) organized Free Oral Check-up Camp in collaboration with AXISS Dental (India's largest Dental Chain). During the camp more than 600 people including students & staff were examined and advised to take care to

the teeth for a healthy life. The team of the doctors headed by Dr. Seema Chaterjee educated students & staff to take care of teeth & gums.

The teams of the doctors said that they are happy that the educational institutions are coming ahead to disseminate the awareness among people by organizing such camps. They appreciated the step taken by CT Group of Institutions.

### Salad making competition held at CT Hotel Management Institutions

## Event on Corporate Presentations held at CT Institutions

Dr. Harpreet Singh Director CTIMIT presenting the token of love to the resource person

CT Institutions, Maqsudan organized an event 'Corporate Presentations' in which the more than 500 students of MBA, MCA, BBA, BCA, Hotel Management streams participated in a competition with a theme 'Know the companies and industrialists'. The stu-

dents were asked to explain about companies and corporate personalities at India and global level using power point presentation explaining the company profile, products range, special features, strengths and weaknesses.

The different students

gave their presentations on Indian and multinational corporations in which they discussed about historical developments of companies and their present status in Indian market. They discussed and applauded the work ethics of corporate personalities like Sunil Bharti Mittal, Brij Mohan Munjal, Indira Nooyi among others. The aim of the presentations was to help students identify various products, brands and their companies with respect to their customer service, market share and competition.

## Joy of Giving Week Kick-starts at CT Institutions

Work for charity

CT Institute of Management & IT organised Joy of Giving Week at Maqsudan campus. The students of management, IT, hotel management, B.Ed. and school participated in the events. The Joy of Giving Week (JGW) is a "festival of philanthropy that aims to become a part of the Indian ethos, with the Week being celebrated every year covering Gandhi Jayanti by engaging people through "acts of giving" - money, time,

resources and skills. Originally called "India Giving Week", the name "Joy of Giving Week" emerged later on through public movements. This initiative is supported by many NGO's and Corporates.

In this unique event, the management, staff and students organized various events for strengthening the human values among them. More than hundred units of blood were donated on the occasion. While admiring the blood donors, the chairman said that it is always miserable to see the poor

Faculty CTIMIT distributing Food items, clothes, woolens, stationery items, among the inmates of Apahaj Ashram

managing blood for their relatives admitted in the hospital, when needed in emergency. They bear the stress of illness of their family member and also the financial burden of treatment weighs heavier on their mind,

especially when blood is needed, he added. In such a scenario, any help becomes Godly intervention and blood donation gives a lot of joy to the donor as well as recipient, he remarked.

## Workshop On Dynamic Web Sites Held at CT Institute

The expert sharing the views on Dynamic Website

The businesses are getting competitive day by day and every organization strives to have an extended outreach among customers, suppliers and competitors. In such a scenario, computerization and internet applications are as important to any business as

business practice including products. It was stated by Dr Manoj Kumar, Group Director, CT Group of Institutes while inaugurating a workshop on "Dynamic Websites" organized by CT Institute of Technology and Research at its Maqsudan campus.

The students of MTech, MCA and BCA classes attended the workshop. They were trained in use of various programming and applications for making websites including web page designing.
