Directorate of Corporate Relations and Placements (DCoRPS)

CT Group of Institutions pins its faith on its department' The DCoRPS-Department of Corporate Relations and Placements for acting as an interface between the industry and the academia. A competent and vibrant team shoulders the amenability for the mandatory industrial exposure and placements of the students.

Our Objectives

The DCoRPS mission is to blend the proficiency of our students with creativity, polish their analytical skills preparing them for the expected industrial standards and establishing a concrete mutual relationship between the industry and academia. Our major objectives are:

- Pre-Placement Program.
- Placements-on campus, off campus and joint campus.
- Industrial Trainings to the students.
- Industrial Visits.
- Guest lectures and e-lectures for students.
- Organizing job fests in different states-Jammu & Kashmir, Bihar, Srinagar.

Academia and Industry Bridge Program :

DCorps always caters to the needs and job related queries of its students. Whether its a major decision of choice between jobs available or a basic work of writing a CV, DCorps makes sure to provide the best available information.

The Pre Placement Program starts with identification of skills required for transition to corporate life & uses a blend of teaching & behavior modification training to create learning. Focus is on Employability Enhancement & Placement. This is the logical linear progression of value added training which opens from the exploration of 'SELF' to the exploration of 'BEING A PROFESSIONAL'. Training is imparted at a nominal cost.

Industrial Visits and Training :

In the modern transnational business environment you need more than just sound technical job related skills. To give the students an exposure of the corporate world industrial visits are arranged for students round the year. Following are the some of our corporate allies for industrial visits:

Ludhiana Stock Exchange LDH.	Majestic Auto Limited, LDH.	Arihant Spinning Mills, Malerkotla	Sonalika International Tractors Limtied. HSP.
GNA Duraparts, HSP.	GTECH, LDH.	Crompton greaves, Baddi	Coke, LDH.
